

**WAKULLA VOLLEYBALL CLUB**  
**193 GLOVER LANE CRAWFORDVILLE, FL 32327**

The Wakulla Volleyball Club is seeking partnerships with local businesses who share the vision of assisting young female athletes with financial support. Funds are needed to play in a competitive volleyball arena where skills can be developed that will be valuable in life, middle / high school and possibly to college scholarship opportunities. Our club is striving to make this opportunity available to all girls who love to play the game, regardless of economic barriers.

Wakulla volleyball Club offers an opportunity for players at all levels and in several age groups. We began in 2013-14 with one travel team and one practice squad team. This season we expect to have three teams that compete in local tournaments and two teams that complete in regional tournaments. We are currently making a difference in the lives of 40 young ladies ages ten through fifteen. This season twenty-one of the twenty-nine players playing for Wakulla High School volleyball teams have participated on our club teams. Four of the most recent graduating players who received college volleyball scholarships began their volleyball career with Wakulla Volleyball Club. ~GO ACES!~

To afford all girls the opportunity to participate, we are asking you to partner with our volleyball club and assist with their costs. Many of our players will participate in numerous fundraising events (selling Krispy Kreme, spirit beads, coffee; serve-a-thon, and Zumba-thon). We also appeal to you, our local and state businesses, for a sponsorship donation. Please note that we are a 501 (c) (3) non-profit youth organization under the umbrella of the Amateur Athletic Union.

I would like to thank you in advance for your support. A contribution of any amount will be greatly appreciated. All checks should be made **payable to: Wakulla Volleyball Club** and sent along with the name of the player requesting the donation or a copy of this letter with the player's name to:
